Subject: City of Moorpark Vector Control District  
Notice of Intent to Apply Aquatic Larvicides and Adulticides for Vector Control as  
Part of the District's Integrated Vector Management Program

1. Pursuant to the provisions stated in the National Pollutant Discharge Elimination System (NPDES) Permit Order No. 2011-0002-DWQ, NPDES No. CAG 990004, Enrollee No. 456AP00001, adopted on March 1, 2011, by the State Water Resources Control Board, notice is hereby given that the City of Moorpark Vector Control Division (Division) intends to perform larvicide applications as part of its Integrated Vector Management Program. The Division's activities are conducted year-round within a twelve (12) square mile area contained within the City of Moorpark. Applications are made in an effort to protect the public's health from vector-borne diseases, and are based on key vector and arbovirus surveillance indicators and in strict compliance with pesticide label requirements.
